

SURREY BOWLS

"Surrey Bowls - Breaking new ground".

A letter to all members of the four Associations within the County of Surrey

You will by now be aware that the County as a single body has gained sponsorship of £20,000 over five years from 'The co-operative funeralcare'. The first County to gain a cross code offer such as this.

This sponsorship has provided the four Associations with an opportunity to agree a new single design shirt which will be worn by players with effect from the Indoor 2013-14 season and Outdoor from 2014, in all representative games played by the four Associations e.g. County Friendly, President's Matches, Executive Matches and all County National Championships and Competitions; thus providing a singular statement that we are all representatives of the County of Surrey, no matter whether we play indoor or outdoor.

The generic shirt will be available to all players, male and female; SCBA players who have gained their County Badge will have the option of having a shirt with the County badge included. Dress code for Patrons Matches will continue as at present.

Your Executive Councils have decided that the cost of the new shirts will be borne in the main by the sponsor, and with that in mind all players who have purchased a current shirt from their respective Association will be able to exchange their present shirt for a payment of £5 (one per person).

Players not currently in possession of a County shirt will be able to purchase one at cost price (£18).

Attached are details of the shirts with an order form, which you are requested to complete and return to your Association Contact (see below) no later than 14th July 2013.

This is an exciting time for the sport of bowls in Surrey. You may not be aware that in 2012, for the first time in 23 years we had a net increase in membership across the codes. It is hoped that the support from this sponsor will assist in obtaining further sponsors.

** You are urged when completing the order form to ensure the size you select is correct for your requirements. It is suggested that you check the measurements of your current shirt with those on the form.
