

BOWLS SURREY NEWSLETTER

Issue 9/2021

It's the last day in September ... can you believe it ... the outdoor season is over for 2021. All that remains are a few meetings, the AGM and the 2021 Presentation Evenings. I hope that whatever it is that you do over the winter months that you enjoy it and stay safe. Charlotte

Bowls Surrey Mixed Competitions - Robin Fudge & Shan Maylin

The inaugural Bowls Surrey Mixed Competitions started in 2021. These were very well supported with 50 teams entering the fours and 98 the pairs. The start of the mixed fours was delayed slightly until a number of covid restrictions were eased.

The Mixed Pairs finalists were Lisa Wolstenholme, Jake Clarke and Sub Pat McCaffery from Egham BC and the winners were Carolyn Lythgoe and David McCallum from Camberley BC

The Mixed Fours finalists were Kat Hornbrook, Janet Robins, Dave Sheppard and Nigel Whiteman from Milford BC and the winners were Babs Payne, Sarah Austin, John Allan and Martin Rice from Heathfield BC.

I'm pleased to say these competitions will continue so for those who missed out in 2021, you can apply via the competition system when applying for your other competitions in 2022.

Some work has already been carried out on making the rules a little clearer for next year however the team mix for the mixed fours **will** be two ladies and two men.

Finally we would like to thank all those who entered the Mixed competitions this year and we look forward to running the Mixed Competitions in 2022

All Clubs SHOULD be represented at the SCWBA Council Meeting on Monday 4th October at Imber Court. Please make sure someone from your club is in attendance. Please contact Sheron Mitchell as a matter of urgency to check.
