### **Administrator's Update**

#### **Bowls Surrey AGM**

The Board reviewed the 2021 AGM and decided to change the agenda. Reports will be taken En Bloc, the Association elections will be accepted as printed on the agenda and the Presidential teams will be formally installed at the AGM, but the transferring of regalia will now take place at the Association dinners. We are also adding A.O.B. at the end of the meeting in place of the Open Forum. These changes are likely to result in a shorter meeting and we therefore plan to hold this year's AGM via Zoom and review afterwards.

#### **Safeguarding Officer**

I'm pleased to report that Diane Double has agreed to be the County Safeguarding Officer. She has experience and did safeguarding as part of her job before retiring.

#### **Club Constitutions**

Thanks to those clubs who have already responded, but I would appreciate it if those clubs who haven't yet sent me their documents to do so ASAP [bowlssurreya@yahoo.com](mailto:bowlssurreya@yahoo.com).

Thanks Colin Homes

### **Umpires Corner** Last months question - On a trial end, can a player bowl with different bowls?

Yes. A player can play with as many sets as they have bowls for the match per trial end. So if 2 wood singles then a player can try out 4 different sets (2 bowls in each direction)

I'm taking a month off this month ... if you have ANY questions you would like to have answered then please send them to me. Or has something happened in a game and you don't know what should have happened ... then just ask me. Charlotte
